Creativity through game-based learning at
higher education

Ana Barroca

Started in Psychology and made a stop in Human Resources. Navigator & Chief Explorer at Advancis, Kaospilot Programme Partner for Portugal and founder of Scholé, I have a crush on learning and innovation. Mixed futurist, activist and change agent, always with a hint of uncertainty, two of creativity and three of emotion. Mother of a Victory, love to travel the world to give her new worlds.
